

Sylvan Skies Alpacas

Sylvan Skies Alpacas, dedicated to breeding and raising top quality alpacas. The Sylvan Skies breeding program emphasizes fine, consistent fiber, good conformation, presence and gentle disposition.

Greg and Wendy operate their farm on sustainable principals, a perfect fit with their earth friendly lifestyle. Greg has been actively involved in the development of the alpaca industry in the United States. In addition to serving as President of the Willamette Alpaca Breeders Association, he has served as a Director of the Alpaca Fiber Cooperative of North America, and as a leader in the Affiliate Congress of the Alpaca Owners and Breeders Association.

Wendy is an avid fiber artisan. Visitors will find many examples of her work with alpaca fiber on display at the farm, as well as yarn and apparel made from the fiber of alpacas.

Visitors are always welcome, but please call ahead.
