

## Hwy 22 Detour

Work is being done on the Highway 22 exchange at the Stayton-Sublimity exit during fall of 2008. Those taking the tour will need to take the Golf Club Rd exit off of Highway 22 and turn right (south).

Then, turn left (east) at the first stop sign, which is Schaff Rd.

At the stop light (Cascade Highway) turn right (south). This puts you back on the regular tour route.
